

# TOKYO AQUA SYMPHONY

Tokyo Aqua Symphony is one of the world's largest fountain shows, a breathtaking harmony of water, music, and light set against the beautiful view of Tokyo. A dynamic high-pressure fountain shooting up to 150 meters high, along with a 250-meter-wide water display inspired by Tokyo's official flower, the Somei-yoshino (cherry blossom), combine to deliver a performance of overwhelming scale.

**Show Schedule** For the latest showtimes, please visit the official Tokyo Aqua Symphony website.

\*The event may be canceled due to weather conditions or other unforeseen circumstances. Additionally, depending on weather conditions, the fountain display may be performed at a reduced height.
